Order

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Continued Status Conference having been conducted, the Parties reporting that the final judgment has been entered in the related District Court Action and no further appeals will be taken, and good cause appearing,

IT IS ORDERED that the Status Conference is continued to **2:00 p.m. on January 30, 2025**.

IT IS FURTHER ORDERED that:

I. The Discovery Conference. At least 21 calendar days before the status conference scheduled in the original summons, the parties shall meet and confer at a "Discovery Conference". No party shall initiate or conduct any discovery prior to the Discovery Conference.

II. Settlement. At the Discovery Conference, the parties shall consider the nature and basis of their claims and defenses and the possibility of an early settlement.

III. Initial Disclosures. At the Discovery Conference the parties shall arrange to make the "initial disclosures" required by Rule 26(a). Within 14 calendar days after the Discovery Conference, each party shall make these initial disclosures to all other parties. These initial disclosures shall include, without limitation, the following:

- A. the identities of all potential witnesses, including expert witnesses;
- B. all documents and other tangible things relevant to the allegations of the pleadings including written reports of expert witnesses;
- C. information concerning damages asserted or denied; and
- D. copies of relevant insurance policies.

All disclosures shall be in writing, signed by the party or his or her attorney, and served on all other parties.

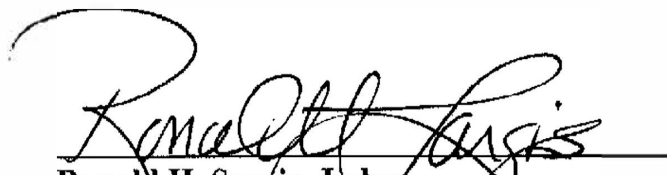

IV. Discovery Plan. Unless exempted by Rule 26(a)(1)(B) or by this order from making initial disclosures required by Rule 26(a), at the Discovery Conference, the parties shall also develop a written discovery plan signed by all parties or their counsel, that reflects the parties' views and proposals concerning:

- A. what changes, if any, should be made in the timing, form, or requirements of the initial disclosures;
- B. the timing, subject matter, and limitations, if any, of discovery to be conducted after the initial disclosures; and
- C. the subject of any orders that the court should enter under Fed.R.Bankr.P. 7016(b) and (c) and 7026(a)(1)(E).

Any objection to making the initial disclosures shall be raised at the Discovery Conference and shall be included in the discovery plan. The court will rule on any such objections at the status conference. The discovery plan shall be filed within 14 calendar days after the Discovery Conference.
